Go10 Walk for the World is Coming to Your Area

Notification to Local Government and Law Enforcement Officials

Free Will Baptist International Missions headquartered in Antioch, Tennessee, is sponsoring a 2,500-mile walk to commemorate our 75th anniversary. More than 1,000 students from around the United States are participating in this event to raise awareness, commitment, and funds to impact the world.

The walk is scheduled to be in _____ on _____. A team of _____ students will walk together through your area on that day. The students will be accompanied by trained adult sponsors. The walkers and their adult chaperones will not be walking to call attention to themselves. They are part of a larger commemoration. The group will do their best not to disturb local residents, traffic flow, or community activities. We are only "passing through" your area as part of the pre-determined 2,500-mile course.

This letter is a courtesy to inform you that we will be coming through and to make sure we are aware of and comply with any local ordinances. We will obey all laws and maintain proper decorum and respect as we walk through your area.

I, _____, am serving as the Day Coordinator and will be directly responsible for the walkers, their sponsors and any on-site issues. Please contact me with any questions or concerns you may have. I can be reached by phone (_____) or e-mail (_____).
